## **InstantName.com Launches - The Fastest, Easiest, Most Affordable Yet Powerful Way to Register and Use a Domain on the Web**

[InfoStreet Inc.](#), creator of the on-demand IT software suite, StreetSmart, today launched its independent service InstantName.com ([www.instantname.com](http://www.instantname.com)) - a one-stop domain registration service with registration services being offered through InfoStreet's partnership with Register.com. Powered by InfoStreet's advanced on-demand StreetSmart software, InstantName will offer one-stop domain registration, hosting and maintenance for as low as \$10 per year - a fourth of the market's going rate for equivalent full-service packages.
